## LIFE CHANGE IS AN INVITATION AWAY

### OLLEY KRUPP

Before I came to know Christ, I was constantly searching for love and validation through people. I placed my worth in worldly things – relationships, approval, success – all of which left me feeling empty, lost, and hopeless. I was stuck in a never-ending chase, trying to fill a void that nothing in this world could satisfy. What I didn't realize was the life-changing power found in God. I made the decision to follow Jesus in March when I was with my Youth leader Chase Jennings. I decided to trust Jesus and make Him the Savior of my life after realizing that my worth is not found through people. My relationship with Jesus means everything now. When I surrendered my life to Christ, everything changed. I no longer needed to search for my identity in temporary things. I found my true worth in Him – in His love, His truth, and His purpose for my life. I'm incredibly thankful for the mentors who have guided me in my walk with Christ, and for the community that has embraced me with grace and support. A life without Christ is no life at all. But a life with Him is one of peace, purpose, and unshakable hope.
