

LIFE CHANGE IS AN INVITATION AWAY

LOGAN LEWIS

My family was going through a rough time that created a lot of anger in me. It caused me to lash out and get in trouble often. My Mom started bringing me to Grace Church in April of last year. After the second Sunday we came, I prayed and asked Jesus for forgiveness. As I allowed Jesus in, the anger started to go away. I started to feel more calm. Now, that I have accepted Jesus, I am not getting in trouble as much and I am much more calm. It has helped me to let things go. I pray every night as I am going to sleep. Attending Grace has built my trust in God. It has given me the faith to allow Jesus to lead me in my life.

TAKE FIVE

SHOP WITH A HERO [December 13] - We are thankful for the opportunity to show that we are for our community - partnering with local first responders and law enforcement to allow children to purchase gifts for their families. Pray that God's love shines brightly at this event.

ELECTIVES - Pray for Re:gen as they finish up Steps 1-3 before Christmas. Also pray for those that are finishing GriefShare and DivorceCare in the hopes that they feel equipped for this new stage in life. Pray that all of those attending will have a clear next step to take as they complete these sessions.

CHRISTMAS EVE SERVICES [December 21 - 24] - Pray for the new people who will walk through our doors this Christmas Eve, and for those who have yet to give their lives to Jesus. Ask that the gospel will be presented clearly and that hearts will be open to respond. We believe wholeheartedly in our value that "life change is an invitation away." This Christmas season, we encourage you to be bold in extending that invitation to family, friends, and neighbors who need the hope of Christ.

CHRISTMAS IN GRACE KIDS - Pray for the new families and children who will be introduced to Grace Kids through our Christmas Eve Services. Ask God to help us form meaningful connections with these families and to create an environment where kids can have fun, feel welcomed, and clearly hear the Good News of Jesus.

KALAHARI RETREAT [January 9-11] - Pray the retreat will be filled with leaders excited to invest in students and for students to take their next step! We are excited to see God work in the lives of students at Kalahari!
